The Girl With the Flying Fringe!

by Tom Sanders

If the fringe is flying, there is a good chance
that Jean Bell is creating the action. If, all of a
sudden, you notice a dancer twirling like a top
and then flying high above the dance floor, that
once again is Jean Bell. If you have not been lucky enough to

witness either of these two events, you have I
surely seen her videos of each and every
important lesson and event, that the Greater
Daytona Chapter USA Dance has
sponsored. When did her passion for dance
begin? And what stirs her passion for dance?

Jean began dancing in 2004 when she
decided that playing bridge was no longer her
calling. She heard of a group lesson that was
being offered by Jerry Lawrence and

Please do your part; clear your table and discard your cups and napkins in the trash receptacles as you exit the ballroom. Thank you.

It's So Easy.....
to support our local arts organizations

When you choose Florida's "State of the Arts" license tag for your vehicle, all of the proceeds fund visual and performing arts programs (like ours) right here in Volusia County.

How much does it cost?

The first-time cost of a State of the Arts plate is \$32 in addition to your vehicle's normal registration fee at time of renewal.

Of that, \$20 is tax deductible. Future renewals are only \$22 each year in addition to the normal registration fee with \$20 again being tax deductible.

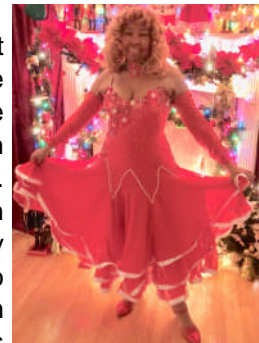

To re-order: At renewal, simply state you would like a "State of the Arts" plate and include a check for \$32 along with your renewal notice.

or ...

Visit your local tag office, turn in your current plate and receive your new "Arts Plate" on the spot for \$32. Gift certificates for State of the Arts plates are also available at your local tag office and make great gifts that also help our community.

Quanita, attended it and immediately was hooked on dance. In fact, for the next two years, she never missed a Wednesday night class. In 2009, she stepped up her dance game and decided to take private lessons, sometimes as many as three a week. She wanted to learn it all. Her teachers ran the spectrum from Jerry Lawrence to Mark Traynor to Joe Mounts to Viorel Ionita. She wanted perfection and even went so far as to videotape all of her lessons and back up the technique with DVIDA syllabus DVD's.

Soon, the performance bug bit Jean. Her first performance took place in 2011 with Joe Mounts. Joe's choreography and Jean's desire turned Santa Baby into a dance spectacle with lifts and spins. Once again, Jean was hooked. She followed that with Hip Hip Chin Chin with Jerry Lawrence and then starred in Absolutely Ballroom's show productions. If you want to see her work first hand, get hold of Ballroom Confidential and learn more about this phenomenal lady. Along her dance journey, she has accumulated a "few" dance outfits and accessories. Ask her about her: 12 running feet of gowns in her closet, 6 drawers of fringe outfits, 12 bins of dance outfits under her bed, 50 pairs of shoes and her specially designed wigs to complement each outfit.

Now that she is a veteran of performances, I wanted to know which was her favorite. She spoke of two with pride. The first was a performance with Joe Mounts to Il Divo's "Without You." It was her first performance to include lifts. Her second favorite was "You Raise Me Up," another dance with twirling and flying. Impressed yet? Well, there is more. Jean is the lady behind the camera for more than 1000 Greater Daytona Chapter sponsored performances and dance lesson videos to include our chapter sponsored Mall Ball beginning on September 18, 2010 and our chapter sponsored dance lessons beginning on January 8, 2011. Her videos may be viewed by anyone who wants to revel in their performances or learn/re-learn a dance step by using the following link: www.youtube.com/user/rainbowlady2020/videos.

Her closing advice to all of us is to Dance, Dance, Dance. She says it is good for your health, a perfect opportunity to socialize and, perhaps, an opportunity to meet the love of your life. For her, it is life's ultimate reward and has taken her around the world to include dancing a Viennese Waltz in Vienna and allowing her to realize her dreams and aspirations. She leaves us with these words "just move smooth." We love you and your ever present smile, Jean!
